- The Ryder Original line consists of front and hind shoes with toe clip and side clips between the 2nd and 3rd nail hole. This horseshoe is also available without clips.
- Due to its consistent quality and fixed shape, the Ryder is one of the best selling horseshoes worldwide.
- The Ryder is available in different versions:
 - Ryder Original** – The classic fullered horseshoe;
 - Ryder Original Straight Toe** – Hind shoe with straight toe and toe clip;
 - Ryder Work a Holic** – Designed for draft horses;
 - Ryder Work a Holic Stamped** – A plain stamped shoe option designed for draft horses.
- The Ryder Original 8 mm is feather edged on the inside. This provides more traction and saves on weight.
- Due to the large variety of sizes and dimensions, the Ryder Original offers a broad range, from horseshoes for ponies to horseshoes for work horses.
